SEND CRANES TO GREAT CONSTRUCTION PROJECTS

MEET ORDER EARLY -- Moscow, Izvestiya, 21 Feb 52

The Nikopol' Machine-Building Plant imeni Lenin recently filled an order from the great construction projects 50 days ahead of schedule. It sent five tower cranes and 16 link-belt conveyers to the sites of the Volga-Don Canal, the Kuybyshev and Kakhovka GES, and the Main Turkmen and South Ukrainian Canals.

SHIP FIFTH CRANE -- Vil'nyus, Sovetskaya Litva, 29 Mar 52

The Bagley Metal Structures Plant, Dnepropetrovsk Oblast', has sent a new 45-meter-high stationary crane to the site of the Kuybyshev GES. This is the fifth crane the plant has sent to the construction projects since the beginning of 1952.

GET DIESEL ELECTRIC CRANE -- Minsk, Sovetskaya Belorussiya, 19 Mar 52

Tens of new diesel tractors, bulldozers, excavators, and other machines have been received by the builders of the Main Turkmen Canal. A 25-ton diesel-electric crane has been sent from Chardzhou to Takhiya-Tash, and a 7-cubic-meter capacity excavator is being assembled there. A repair plant is being fitted out at Takhiya Tash for servicing the equipment which is coming in.

SHIP HOISTS, CRANES -- Kiev, Pravda Ukrainy, 28 Feb 52

Since the beginning of 1952, the Moscow Krasnyy Blok Plant has shipped 53 hoisting mechanisms to the Kuybyshev GES site ahead of schedule. It has made early shipments of about 40 cranes to the builders of the Volga-Don Canal.
